Dear Friends,

May the Lord of all lords bless your home and your fellowship with peace of mind and good health. Isn't it true that those are the very needs of today's people?

We hope and pray all is well even though we know that the world panorama is very depressive. But in Jesus we always find new strength and enough joy to survive and keep going on.

Terrorism and other tragic conditions of man are sweeping the mankind. As a result, you would expect man to thirst for God and his Holy Spirit so that we may find His blessing.

But here is a scripture of encouragement from the Lord found in Colossians 3:17:

"And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by Him."

Again in I Corinthians 10:31 says:

"Whether therefore ye eat or drink, or whatsoever ye do, do all to the glory of God."

Amen! These verses of encouragement will prevent us from falling into sadness and dangerous routines. And they give us the joy to know that every thing we do is to Glorify our dear God. Be encouraged my brother.

By God's grace and by your help and prayers we were able to have 14 tent crusades this year. As our last newsletter mentioned: many local churches continue to report that many people have gained salvation and been baptized. They now have a new perspective on life and are now active in their local churches.

We minister to people wherever God leads us. This includes prisons, rehab centers, hospitals, churches, and more. We don't stop when winter comes...we do even more! Wendy, my wife, has already planned a holiday dinner that will include all the people our lives touch. It is much work but Wendy has already planned it and has everything under control, by God's grace.

In all sincerity, we have no words to express our thanks to each of you for what you have done to provide for us and God's work here in Cuauhtemoc. From our hearts we say, "THANK YOU VERY, VERY MUCH. "

Our prayers are with you and we hope and pray that for the next year we can do more for God and for the lost souls Jesus loves so much. Our vision has not decreased at all. And even though Wendy and I are getting older (I'm 49 and Wendy is 42) and our 4 children are growing up faster than we thought we still have the vision and desire to continue serving our precious Lord in this ministry.

We continue to need your prayers and support and encouragement. Without those of you who encourage us through the year, it will not be possible for us to do what we are doing. The Lord's work it is, and always will be teamwork. Amen!

I'm sure when we will be in heaven, you will meet many grateful faces that are there because of your help to keep the supply lines open.

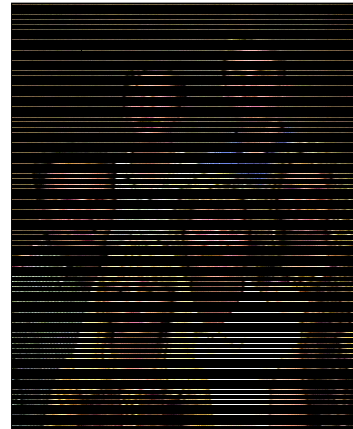

Our prayerful desire is for each of you to have a very blessed Christmas: A Christmas full of Jesus and His wonderful peace in your life, in your family and your local congregation. May the year 2004 be the year that we see many of our dreams and desires accomplished, and that all of us can bring good fruit for the Glory of our dear Pastor (Jesus): The first of all being Holiness, as He is Holy, be Holy. God help us, Amen!

Sincerely we love you and again thank you.

Yours in the field,
