May the blessing of God be always upon your entire home, job, and ministry. Amen.

We send our love and prayers from Mexico. Yes, 3/7/2007, on a day like today, exactly 20 years ago (3/7/1987) we entered the mission field called Mexico for the first time. It was brother Dave Hart, (he does our mailings), who was there at CITA Headquarters in El Paso, TX and witnessed the beginning of our team. Do you remember

Today's Gaglione family

Raising children on the Mission field

that blessed day, dear Dave?

The original plan was to stay only

two years and then go back to our ministry in Italy. But here we are after 20 years! When we first entered Mexico, my wife Wendy, was pregnant with our 1st son Jason. Now we have 4 children and its 20 years later.

When we came I was 32 years old, now I'm 52. Wendy was 24, now she is 44. Glory to God!

Two young kids who love the Lord.

If you calculate our total time spent on the European and Mexican mission fields it would be a total of 57 years that we have gratefully served the Lord. Thank You, Jesus.

Time flies. Come, Lord Jesus.

Our hearts are full of genuine gratitude towards God, and toward all of you, who through all these years "have been" with us in your prayer and support of the Lord's work here. In times of sorrow and in times of joy and victory God has strengthened and encouraged us through your generous prayers and offerings. Thank you so much from the depths of our hearts.

We have faithfully informed you over the years. But the only purpose of this newsletter is so

you can rejoice with us in our 20 years serving the Lord in Mexico.

We want to CELEBRATE the FAITHFULNESS OF GOD, and also, the FAITHFULNESS of all you who have been faithful to the Lord's calling. Your obedience to the Lord has made all this possible. Together we form a team empowered by God for His purpose and His glory and for the salvation of many precious souls. I pray,

Young Gaglione Family

Street Meeting (1987)

God will give us this privilege until we die.

I asked God for 100 years of life. I also asked Him that I don't die in a hospital with a tubes and probes coming out of my body. I want to die wearing my shoes, preaching the Gospel. I am not an hero and I have never felt like one. I know very well that I'm just a sinner, saved by God's grace, but yes, full of gratitude and thanksgiving.

If God would grant me another life, I would do just the same, but asking God to help me make fewer mistakes.

Love and prayers. Yours in Jesus,

RENATO . WENDY.
