Anahuac, Mexico

Dear Brothers & Sisters,

Greetings from the war zone. It is not Iraq...it is Mexico.

Note: Mexico is the second nation in all world to kill more journalists , after Iraq.

Sadly, it has been a "war zone" in the past few months. The last 5 months have seen more than 500 people die for the drug war alone. Most of it in the northern state of Chihuahua, where we have been working for the last 5 years.

Three weeks ago I went to preach in a church in the border city of Juarez (right next to El Paso, TX). We were in the middle of the most dangerous area where over 500 women have been killed according

the authorities. Others have claimed that the figure is more like 5,000 women have been murdered. Only God knows which number is the correct. Hopefully, it is the smaller number.

If you follow the news, you must know what is going on. There is a movie you can see about this problem, It is pretty close to the reality. It is called **Bordertown**. But be forewarned: it is very violent and cruel. I'm sure that it will offend the sensitivity of many of you.

In addition, the unemployment rate is very high. This provokes a large number of suicides and crimes.

By God's grace we are trying to do what we can. Because of these great needs and tragedies we often wrestle with discouragement and a strong feeling of impotence. But scripture reminds us that God is faithful and through His Word he restores our faith and strength. Amen. He still loves sinners.

Your prayers and help are a wonderful strength for us and we thank you very much for lifting us in prayer and support. We just finished a

campaign in Colonia Zapata where God saved many. We have just begun a new campaign in the town called Anahuac. Pray with us that God will do the same work in Anahuac as He did in Colonia Zapata.

Thank God for the prayers of the Saints. Wendy is doing much better. She cannot have surgery until her blood reachess normal levels. A Christian doctor told her to bide her time and not rush to surgery because it may not be necessary, Lord willing.

Here is good news: Jesus is coming back soon. Yes, He is.

Be blessed, my dear brother. May God keep you, your family, and your church in His precious hands (the most secure place in all universe).

Have a Jesus day,

Renato & Wendy.
