December 2008

Anahuac, Mexico

Dear Brother,

May God be with you all, all the time and everywhere.

Greetings in the Name of Jesus .

Another year to celebrate. Celebrate what? Probably the unsaved have nothing to celebrate, but we have much to celebrate. God is on the throne, our sins are forgiven, eternity is becoming a closer reality, and so on.

In the last months we are hearing the same things, over and over. It looks to me that, for the majority, including some Christians, all depend on Wall street. If Wall Street is OK, every body is happy, if not, then depressions and worries takes over.

Another main subject is all the bad news coming

basically, from all over the world.

What we can do about it? Almost nothing. The problem is that too many are paralyzed from all these negative realities.

So easy we forget, some times, that this world is ending. Heaven and hell are rapidly coming closer and closer.

Last night in my sleep, God reminded me this words, that He told me almost 30 years ago , when I left my "normal life" and became a missionary, and I would like to pass it too you, too:

*"Let the dead bury their dead: but go thou and preach the Kingdom of God" -- Luke 9:60.*

This does not mean that we have to close our eyes on the human tragedy, we just need to do what can solve the tragedy of the humans: Bring them the Gift of God : Jesus.

And we thank you so much, with all our hearts to allow

us to do just that. Every prayers, every manifestation of love, every penny is greatly valued and appreciated. Amen.

This year is ending but one day our life will end. It is vitally important to "walk with God", not just meet him every so often.

Have a very blessed Christmas. Gratefully, we lift the Name of Jesus to all nations.

We sincerely love and thank you so much for your prayers, support, and encouragement as we work together proclaiming the "Good news".

Renato, Wendy, & Family  
And the Mexico 2 Team.
