VOL. #2010 ISSUE #1

Dear Brothers & Sisters,

May God's love and safety be upon your entire family. Amen.

It's certain that some people of Haiti and Chile now know exactly the meaning of these words. Some will appreciate it so much, but for many, it's too late.

When things get easy the tendency is to relax too much. We don't fully appreciate what it means to be safely in God's Hands.

Only the blind and the foolish can't understand the importance and the urgency of times.

Watching the news today, the reporter said these exact words: "Twenty-four hours ago, Chile was a prosperous and ordered country. Now, it is a devastated and a confused country. "

So true. It is scary how some situations can change so quickly. It is shocking how "peace and safety" can quickly become suffering and death. Our lives can change so drastically so very quickly.

Beloved in Christ, we need to humbly appreciate God's blessings. Even the little, apparently insignificant blessings. Now, even a simple bottle of water is a great blessing in Haiti and Chile.

But we are at war against Satan. Even in Mexico we face a war in which Satan traps men & women with drugs. This past week end more than 30 people have been killed in the North. In one case, a commando entered a Red Cross facility to end the life of a man who was injured in a previous shooting.

We have no reason to be in panic, we should know all this things. If not, read II Timothy chapter 3.

We desperately need to be obedient to our Father's business.

God blessed us so much in the last days.

An unknown lady, Irene, called us to her home. Then she told us why.

About 20 years ago when she was 10 years old, she received Jesus under the tent when we were in Nuevo Casas Grandes, Mexico. Now you can see her blessed family. This is our reward, what a joy!

We are so thankful and blessed that our sister Erin (daughter of our good friends, Bob and Mimi Stewart), for the beautiful 1998 Isuzu Pick up truck she donated to our work in Mexico. May God give you a "Ferrari" Erin.

We are now preparing for our tent campaigns. Our schedule for this year is already nearly full.

We love and appreciate so much all of you. Pray for God's harvest of this world and the needs of His people. Amen.
