### Dear Friends in Christ,

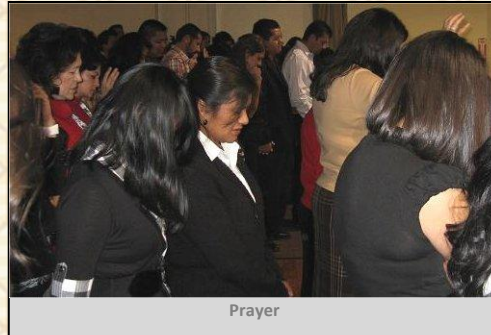

Be blessed, you and all your household. May God's hands continue to be on all of you. Amen.

I must say that even if this 2010 has been a bit difficult, it passed by very quickly.

Although it is true that we have been close to death a couple of times, we have seen wonderful things that God did before our own eyes. His love and protection has been with us each step of the way.

We know very well that behind us are your faithful prayers, help, and concern. Thank you, so much. God will honor those who care for His Kingdom, be sure of that. No one will lose this reward. God has no debt with anybody.

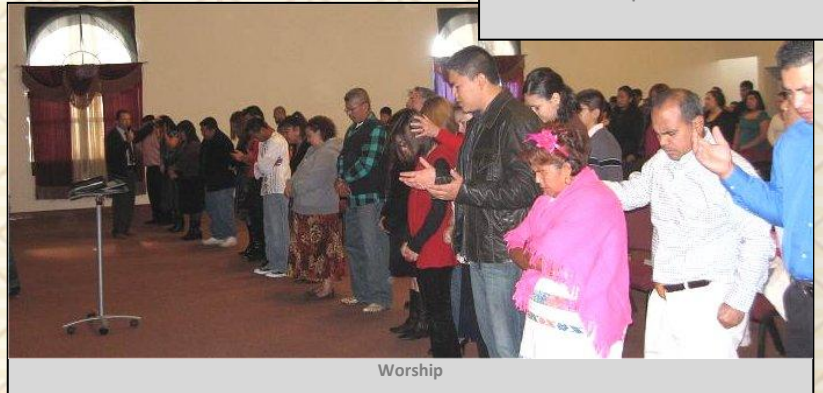

In conclusion, we have a lot to be grateful for the privilege to be able to continue to serve our Lord and Savior. Pray we can do this until the last day of our lives. It is our prayer and desire.

This month of December will be super busy as always with Christmas and end of the year activities, Lord willing.

We do these activities all year long when we are able. But for obvious reasons, at this time of year, people become more generous. The celebration of our Lord Jesus is special, yes.

Then towards the end of January, Lord willing, I should have a surgery. I have an inguinal hernia,

at least from 15 years, now is growing and it is time to take care of it. Probably it is time for a stop and rest for a while.

Until then God can solve my problem or He can give me a forced rest. We will see. He is faithful, so there is no reason to worry.

Please receive the gratitude of our hearts, for all you did for our mission in this 2010. Thank you so much for

your help, prayers, love, concern, and encouraging letters. Each is a blessing. I wish you could read our hearts to know how grateful we are.

Let's look at the future with faith. The world sees a horizon full of tragedies, bad news, and hopelessness, but we see our King coming. Yes, we see just that, and a broken, desolated, and confused multitude. We have the answer and the

medicine, let's use it.

Together, God has formed us into a great team.

Again, thanks from all of us and from all of those who receive benefits from your love and prayers.

In Him,

Renato and Wendy
