### Friends in Christ:

May the peace of God reign in your heart and family.

Too much happening in the world, to relax and pretend that nothing is happening.

Praying is the minimum we can do, then we can increase our witnessing to the lost before the door will close.

We had a very, very busy, and blessed summer. Thank God. God provided us a good team to work with and also all my family, in different times, was able to come to help, my greater joy. Even if it make me nervous when they are here, because of the violence situation in Mexico, that it is not decreasing at all. Now Jason is with me in the most dangerous and complicate campaign we have every year, among a multitude of desperate and needy people. They get treated and paid like slaves. The police will do the rest, stealing from them the little money they make daily.

We just started our eighth campaign of 2013.

Please pray for us as we have been asked to leave the property where our mission base is located, after 12 years of working here. Basically, it was donated to us, but it looks like not anymore. God knows, we just trust Him.

We thank you so much for all you do to contribute to our effort to serve God in this part of the world.

May God keep blessing, prosper and use all of you.

Until He comes, or will call to His presence,

Renato and Wendy.  
Sincerely,

Renato and Wendy
