### Friends in Christ,

Bless you all.

Here we are at the end of another year, giving thanks to God and to all of you, for all we have been able to do for His Glory, so far.

No news this time, just a word. I have been thinking why there is so much sorrow, sadness, disease, complaining, and struggling all around even in many Christians homes, unfortunately.

I came to this insight, which I feel is a small, human glimpse: One reason for this is that there is too much selfishness and not enough sacrifice. Too many people...even believers...thinking only of themselves. This thinking produces dryness and hardness.

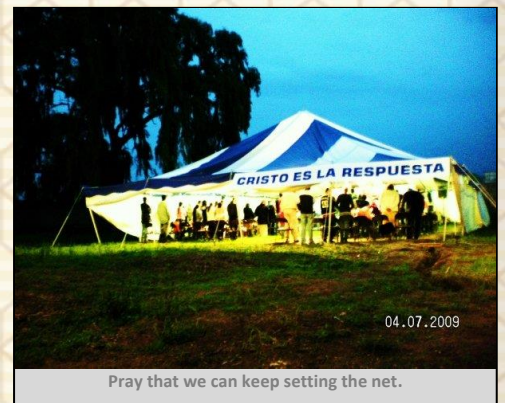

Years ago God allowed me to understand a principle of truth: "occupy yourself with the

The fruit of the labor.

things of God and he will make sure your needs are met."

As you labor for the Lord He will comfort and sustain you and your family.

This truth has proved true in our lives as missionaries and has worked very well so far.

I am not saying that my family and I are in the 3rd heaven, but honestly, we have

nothing to complain about, thank God.

I pray that you will find this truth useful, who receive this letter.

Have the most blessed and prosperous Christmas and 2014. May God give all of you the desire of your hearts.

Just a reminder that we are a 501 (c)(3) non-profit organization. So, if you desire to have the donor receipt for income
