March, 2014

Friends in Christ:

Bless you all in Jesus' Name.

This March 7th we celebrated our 27th ministry anniversary in Mexico and USA. What a blessing and privilege to serve and be used by God. Nothing better in this world.

Right now, in camp, we are busy painting a van,, rebuilding the entire brake system, and putting in a new radiator in our 1961 GMC bus along with other necessary projects.

I just came back from a super blessed time in Indiana, where God continue to open new doors.

The ministry and the fellowship with the local churches was just great. In addition God gave me the joy to see a unique show: mountain of snow all over.

Next will be a mission trip to the

city of Torreon in Mexico, which, right now is the 5th most dangerous city in the world.

Our schedule is continuously active for the entire year. May God give us all we need to accomplish His work.

I feel sad not to be able to go in other places where we were invited. Workers are still few among an ocean of needs and opportunities, that for many will never come back. I pray that others will ear God's call.

Besides her seasonal ailments, Wendy is happy, thank God, she have been elected teacher of the year, and we thank God and rejoice with her.

In Jesus,
Renato and Wendy.
Sincerely,

Renato and Wendy

Still passing out blankets, never forget the poor.

God's show: beautiful snow.
