Greetings in Christ:

May God keep all of you! Yes, we need Him very much, considering the tragic situation in many nations today. Do not forget to pray for them, and for the peace of Jerusalem.

At 60, I still feel I think I have a lot of gasoline left over, and I want to use it for God's glory. Amen.

The other day a precious Christian asked me: "Renato, when you are thinking to retire?" I answered: "Until he comes or will take me into His presence."

No retirement! No, sir. God's calling is for all life. I just cannot imagine myself on a big chair scratching my belly and watching what the weather will be like tomorrow. Ah! Ah!

Of course we are not like

The net.

Kids snack.

Distributing school supplies.

Spiderman or Superman, the strength is not the same, but while we are yet in this world, we can always do something for God, for the church, and for the lost. And everybody says: Amen!!!!!!!

Two weeks ago we started campaign #8 and it will continue for more than a month, Lord willing.

We as people of God, cannot just close our eyes and ears when such demonic activities are all around. In fact, we are the only people in all the world who can walk with our heads up high because our redemption is near.

Heads high up but our eyes are on the earth. Its not that we want to

see what we have done, but it is to see what needs to be done.

May God send a gigantic hunger and thirst for Him and for the dying world, upon us all. Amen.

Thank you so much for your help and prayers to keep us moving forward on in the mission field.

Yes, until He comes or will call us to His presence,

Renato and Wendy.
