Needy ministry

**December, 2014
Mexico**

Believers in the Gospel,

May God keep blessing, prospering and Using you to tell His Good News.

2014 is gone and we want to celebrate God's faithfulness with all of you.

We just came back from a blessed time in Colorado and are now getting ready to go to Odessa. Next, we'll return to Mexico (Juarez and to the mountain region) for the Christmas and end of the year activities, Lord willing.

Our hands and your prayers will show God's love through the distribution of blankets, food, clothing, meetings, etc. We do this all year long but in this season, as you know, there are more resources. Amen.

We thank God for providing resources through our ministry friends that allowed us to have 8 tent campaigns this year, visit 150 churches,

visit prisons and hospitals, and helping the needy. (Not counting the home and private visits to individuals or families.)

As you can see and may realize: the missionary life is a continual process of praying, watching for the Lord's leading, and working by following God's lead so that we can best present the Good News of Jesus Christ.

All this has a physical, mental, and spiritual toll. And our youth is disappearing. Please continue to pray for us. Our God is worthy! Amen.

We ask God to show us the needs of the people and opportunities to evangelize. We are solely His instruments and you are as well: through prayer and support.

We thank God for all of you whose vision goes beyond the 4 walls of a building to other places.

Have the most blessed Christmas and the most prosperous 2015.
