Greetings in Christ:

Bless you all, dear Children of the living God.

Preparation for Proclaiming the Gospel.

The new chairs. Thank you.

Final touches.

Greetings in Jesus.

Thank God, we can say we are OK and blessed. We pray you can too.

Only a blind man can not see what is going on in this poor world, even if in the last two weeks we have been in a village without any signal, winds have been strong and the dust our daily "bread". Thank God no more serious troubles than this.

Yes, the tent is up and we are so grateful to God for that. Most people do not go to church for prejudice, but they see the tent as a neutral ground, so it is easy for them to enter.

The last weeks have been so busy traveling, and physically and spiritually working. We made the tent and the stage bigger, camp looks fancier and more effective. Thank to all of you who helped to replace all our chairs, to replace our old vehicles, etc.

Together we are doing a good job for the glory of God, focusing on the main purposes: 1) The salvation of the souls, making disciples and

edifying-challenge the church.

Right now we are in Kansas City just for this week end for a series of conferences, visits and preachings.

In a way it is good to take a break after breathing dust for the last 2 weeks.

The photos will complete this news.

Love you all.

sincerely,

Renato and Wendy
