The best for the 2016 from all of us

Ministering to God's people

Loving people

Thank you!

Friends in Christ,

May God continue to bless all of you in all ways.

We are still blessed, alive, serving, and enjoying the purpose and life God gave us. Thank you, Lord Jesus.

We have a grateful heart, and God knows it. Is is sad that many people in this world cannot say that. Our hearts are broken for them.

As we travel and meet all kinds of God's people, it makes us appreciate our "life-song" even more

Life is so good, and we want to enjoy and use it increasingly for His glory. We pray you are blessed as well.

During the year we have been sending updates and news about our missionary work. Now, we want to thank all of you for all you have done to make it possible. Our gratitude cannot be properly expressed in words. May God reward you over the abundantly.

As our work, Lord willing, keeps going on, please stay with us for this coming 2016.

Love and prayers to you all.

Renato and Wendy
