Never neglect the tent ministry

Blankets and backpacks for those in need

Friends in Christ:

At the end of 2017, we greet you in Jesus' Name and remind ourselves of the faithfulness of the Lord.

It's a miracle to be alive and serve Him. So we have a grateful heart realizing that many people are gone and many people are in despair.

I believe this is the main reason God keeps us alive: He wants us to keep trying to pull as many lost souls as we can off the road to hell. And that's what we are exactly doing.

At times we feel like our efforts are like a drop in an ocean, but God will do the rest.

Without a doubt it has been a busy and a fruitful year. We have had 9 tent campaigns, 2 mission trips to Odessa, TX, 2 times to Phoenix, AZ, two times to Las Vegas, NV, 2 times to Albuquerque and Santa Fe, NM, a mission trip to Kansas and Missouri, a super blessed trip to North Indiana, a couple of times to Juarez, Mexico, one blessed one to Delicias, Mexico, as well as our normal mission work in El Paso, TX area, and Cuauhtemoc, Mexico area.

Only God knows how many have been saved and how many have returned to the Lord's feet, how many have been healed, or blessed with food, clothing, school material, warm blankets, soccer balls, Bibles, New testaments, and tracts. Our effort is imperfect and we regret our errors but God takes our human efforts and blesses us and others through it all.

We thank all of you for with your prayers, words of encouragement, and financial help. God has blessed us and others through you to make this possible. Most of all, we thank God, for keeping his eye on us.

Please continue in prayer and support for our ministry this coming year, and we will all faithfully look to God and His power in the name of Jesus. Together we make a great team! Amen.

In your prayers, pray also for the peace of Jerusalem.
