Urgent Field Request

Friends in Christ:

God bless all of you dear people of God. We pray you are well and blessed .

And we thank God because we continuing to preach the Gospel wherever we can.

As you may remember, we have been faced with an ultimatum to move from our current location here in México before year's end. We now have less than 5 months and we do not want to arrive at the last minute, stressed out, and frantic.

But we found a 3,000 square meters (32,000 sq ft or ¾ acre) lot nearby at a very good price. The asking price is 2,400,000 pesos (or \$133,000).

We believe God can provide this entire amount through each of our prayer supports doing what they can in prayer and financial support.

The owner is asking for half of the money first and, later, the remainder in 6-8 months.

Our only credentials and references are the 32 years of faithful and constant missions work in México. If we remember correctly, we have

never before made a request for such a large amount. We have always tried to be fair and balanced in depending on Lord directly or through his people.

We still depend on God's provision but we do need your help to make this happen. Your offering, of any amount, joins you with us for the Gospel of Jesus Christ. It will be greatly appreciated and effectively used.

Coupled with prayer, your offering is even more effective.

We will let you know any progress in this matter. Please contact us, if needed, to know how to send the money, and if you need bank routing numbers, please let us know.

We need the help as soon as possible....the sooner the better. If we can't pay at least half of the total amount the lot will be sold to somebody else.

Thank you so much for joining this work.
