Brothers and Sisters in Christ:

May God's Name always be glorified.
Greetings.

Thank God, tent campaign #12 started. Wendy and I just came back from a very blessed, 7 days mission trip in the Odessa, TX area,

Money for the lot is coming in. We pray to give a good amount for down payment, before the end of September. So far we are very close to \$25,000.00, still way to go, but we are so grateful to all who sent an offering, with love, prayers, and sacrifice. If some of you did not give yet, please consider it. We really need your help in getting this land. Thanks.

We feel so encouraged, so we look at the future with a renewed hope and faith.

Although we are donating backpacks, school items, and other goodies to needy people, the Gospel is the greatest gift for all mankind. We will never neglect that message. It is our first priority.

We are blessed to have dear Christians helping from the USA. This is an extra encouragement from God, and we are so pleased.

Others will come later on. In fact, we are waiting for doctors, dentists, and hair stylists to come and bless this multitude of desperate and needy people. Yes, the tent is up by the train
