Important Mission Update

Friends in Christ:

May God keep and prosper all of you .

As we anticipated, it is about time to make the second payment for the mission base God provided, thanks to the generosity of His precious people.

But let me first tell you, the actual situation:

Out of 2.400.000 pesos , the total cost of the property, we already paid 700.000 pesos.

In addition, 45.498 pesos were paid for the notary fee. If you want to see the receipt, please let me know.

Moving to the new mission base

Remodeling with a lot of patience and love.

By the end of this month of February, we need to pay the second payment of 700.000 (or more, if God allows).

I am very sorry to keep asking, believe me it is very humbling, good for the pride for sure, but at this moment, we need your help.

We need to be free from this pressure, as quickly as possible, to be able to keep preaching the Gospel with a clear mind, being ministering in a nation already heavily intense and dangerous as Mexico. Please help if you can. God will reward you the way He will decide.
