Friends in Christ:

Brothers and sisters in the Lord, may God's grace continue to be upon all of you. Amen.

The tent evangelism continues very well. This is our 5th evangelistic crusade.

After one campaign we had, there is now a church in a small village that previously had no Christians. We are so grateful to God for that!

For years that village has been in Wendy's and my heart and prayers.

The last night, the police commissioner, who prayed for salvation, prepared dinner for all

those present...150 people. And this was in a village with a population of less than 250!

Apologizing, we inform you that in the beginning of July, we must pay another pay for our mission base lot. We feel sorry for this burden we are putting on you. But we know that many of you have a heart for the salvation of lost souls. We ask God to prosper all those who have already generously gave.

As I mentioned in the previous newsletter, we still owe 900.000 pesos. We already have some money saved.

How much we must pay? As much as we can. There is not a precise amount. The owners are kind and understanding.

Please help if you can. If you cannot, please pray. Thank you.

All donations are tax deductible.

Identifying ourselves and making the entrance decent.

And the sidewalk, too.

In a Mennonite School gym. Before the graduation of their Tarahumara kids, the Mennonite leaders asked me to give a message to the parents.

I spent 4 very blessed days in the Mennonite camps near Ojinaga, Mex.

In our "natural" habitat.

Precious ladies. To take such a photo, they must trust.
