

CHRIST IS THE REDEEMER

Mexico Newsletter

Brothers & Sisters in Christ,

May God give all of us, all we need, to make it until the end. Amen.

God made this 2019 so wonderful, so great, so blessed, so special for us. And we can only bow down before Him to humble ourselves and thank Him. We also thank, with all our heart, all those who have been sensitive, generous and obedient, to allow us to accomplish so many goals, reach so many souls, and start so many projects.

During the year, we faithfully informed you of all our activities, plans and projects. Besides all the spirituals and relief ministries, we were able to purchase the new lot, for our mission base. What a miracle. Instead of taking two years, we paid it in 9 months. God is so good.

I just came back from Italy, where i spent two months, visiting and enjoying family, friends, churches, and evangelizing in different places and people, including many foreigners (there are so many). Honestly, I cannot ask God for more. He did more than we could imagine at the beginning of the 2019.

Now we are getting ready to distribute blankets, backpacks, and school items to the needy. Though time passes by God remains the same. We keep serving Him by His amazing grace.

We wish you a great, blessed, and safe Christmas and a prosperous and a "Life"-filled 2020.

You are in our prayers.

Renato and Wendy.

In the meantime Wendy kept the mission in Mexico going and Gabriel had the first birthday party of his life..

God can even use tents to draw people to him.

Beautiful people of God.

What a blessing to bring the Gospel to my fellow Italians who are hungry and thirsty for God.

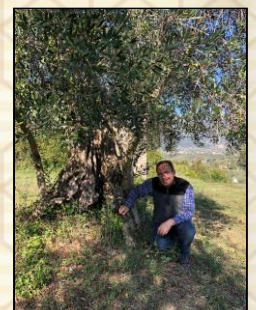

A blessed church.

Youth meeting.

Yes, there are still people hungry and thirsty for God..

This beautiful olive tree is 300-350 years old.
