

CHRIST IS THE REDEEMER

Mexico Newsletter

Blessings in Jesus' Name.

This difficult 2020 is coming to an end but there is no doubt in my mind that God's purpose has been accomplished. We will understand it later on, or when we will be in glory. What we know for sure is that it is still day and we have to continue to do the work of the ministry. That is what God has called us to do.

We have seen very clearly that when a door closes, three will open; when an opportunity is gone, five will arrive. For who wants to love and serve, there is always work to be done.

In the last months, as always, God has opened many doors before us: to minister, to help, bless, give, grow and mature, in spite of others doors that have been closed, and we all know why.

We have the Gospel of love, hope, salvation, and eternal life, This Gospel has always worked and it works just perfectly. And that is what

we have been doing for more than 40 years. For what we thank you so much for your help and love.

Thank you for remaining by our side, as we remain by your side. May the message of Christmas bring hope for a better future, may it bring a much needed, mental, physical and spiritual rest and refreshment, to all of us.

May 2021 be a peaceful, healthy, and blessed year. May God's grace and provision abound on your lives and upon your entire house.

Bringing forth fruit for His Glory,

Donating grocery to local pastor, Daniel, for his needy church members.
