Brothers & Sisters in Christ:

May God continue to take good care of your entire home.

The last weeks have been unique, as a dear sister in the Lord said: bittersweet times.

As I suppose you all know, Wendy went to be with her Lord and Savior, that she served and loved for 45 years.

She will always be our inspiration and forever will be in our hearts, and I know, in the hearts of many.

Our family is hurt and sad as we were wishing to have Wendy a little longer with us. But in the meantime, we have peace, as God decided differently, and we accept His will.

The love and prayers of many Christians and friends, around the world, are making a huge

difference, and we thank God and all of you. Yes, we do.

The mission in Mexico, and in other parts of the world, where we have been ministering, will continue to go on. Until when? Until He comes or will call us to His presence.

The future is uncertain, as we see strange and dangerous things happening, that's why, the preaching of the Gospel is urgent and necessary.

Once again we love you and we thank you all, for your love, prayers, concern, and help. May God reward you all, overabundantly.

One night, while I was with her in the hospital, at 3 am, she told me to write down this message for all of you:

"I love you all, but like more to go to heaven".

In loving memory of

Wendy Lynn Gaglione

(7/6/1962 - 8/27/2021).

With all my heart,

Renato and family

A wonderful sunset, a few days prior to Wendy's departure to heaven.

One of Wendy's last activities, before she went home to be with the Lord that she loved and served for 45 years.

Wendy surrounded by what she loves most, after God: her family.

One of my last activities, before Wendy's loss.
