March, 2022

Brothers & Sisters in Christ:

May God keep and protect all of us, in these troubled times.

There is nothing we can do about many situations but pray. But after praying, we do not want the fear to block us, we will continue to do God's work, where we live.

Yes, with a heavy heart and with a lot of sorrow, looking at the images arriving from the world.

What really worries me, is the lack of real leadership, the emptiness of authorities , both political and religious. It comforts me, the fact that God is in control. Amen.

It is March already, time is running fast, and we keep busy. In our base In Mexico, the construction is continuing, but the preaching of the Gospel never stopped.

I just came back from a fruitful pastor's-leadership conference, in a remote Texas-Mexico Border. What meetings we had! Fruit for God's glory came out and the gratitude of the participant pastors, have been our best reward. God was present.

Now a couple of days to recuperate, then back to work, in Arizona, Southern New Mexico, and Sonora, Mex State.

In the meantime, we are getting ready to start out tent crusades in Mexico, Lord willing April 1st.

This morning God gave me a word of encouragement, and I will pass it to you: ***"But you be strong and do not let your hands be weak, for your work shall be rewarded" (2 Chronicles 15:7).***
Thank You Lord.

To close, allow me to deeply thank, all those who support us in any way possible. May God prosper the work of your hands. May He keep all of you.

Every prayer and every financial help are greatly appreciated. .

If you will, please visit our web page. www.citrmexico2.org , thank you.

For God's glory and for the salvation of the soul,

Renato
