Brothers & Sisters in Christ:

Greetings in the Name of Jesus.

Praying you are fine, enjoying family, church, and God's presence.

Around us, it is what it is. However, inside us, God is present, above all, and everything is under control.

We cannot do much for the world's situation, only pray, but we can do a lot in the place where we live, where we move, where we go.

And this is exactly what we are doing. Thanks to God and to you.

Your love and generosity are blessing many people. And that, is blessing God's heart.

The more time passes by, the more we see the urgency to reach as many people as we can with the Gospel.

In fact, we are at the end of the 5th tent crusade, ready to start the 6th, next week, Lord willing.

Wherever we have been, we have seen with our own eyes, that people are hungry for God's Word and how the people of God, need a spiritual refreshment and renewal.

Also, many pastors are coming to the meetings, some to preach,

others just to stay in the meeting, relaxing, and enjoying a much-needed fellowship.

I can feel that the last couple of years, have been heavy, and the heaviness is still oppressing many.

It feels so good to see how people, change expression when they receive words of hope and words of salvation.

They suddenly become alive.

It's our reward. Blessed be the Name of the Lord.

At our missions base, we are improving things. (See the photos, please)

If you are able, please help with any support of prayers and dollars. It will be gratefully received, and used for God's glory, and for the preaching of the

Gospel.

Thanks! God bless you.

To the glory of God!
