Greetings in the Name of Jesus!

I pray all is ok in your life and in all that is yours. Thank God we are Ok.

We've completed thirteen tent crusades. We have also continued all the activities related to the ministry. We have been helping the needy, distributing over 100 blankets to keep people warm for the coming winter. Our efforts are purposed to draw the lost to Christ.

Only God knows, how many have been saved and healed, how many Christians have been strengthened, challenged, encouraged, and so on.

We know in whom we believe and trust, we know our call, and we know that Jesus, is the Answer for every single person in this world. That's why we will never stop preaching the Gospel. In times using words, in times using our hands and feet. (Matthew 25: 35-36).

Because of your prayerful support, you are part of all this. Reward is near, in this life and in the eternal one, coming soon. Amen.

May God reward you , as only He can do. Receive our prayers and the gratitude of our heart.

Lord willing, I will spend a few weeks in my homeland, Italy, soon, where more work is waiting for me.

I will be over blessed to be able to share Jesus, with my people, and do whatever is possible, by the preaching of the Gospel, to send precious souls to heaven.

The work in Mexico will keep going on, thank God. I have good and trustworthy co-workers. In addition, with the social media my work will be a lot easier. Thank the Lord! Social media can be a blessing when used in the right way.

Brothers & Sisters, the night is coming. Take advantage of these opportunities.

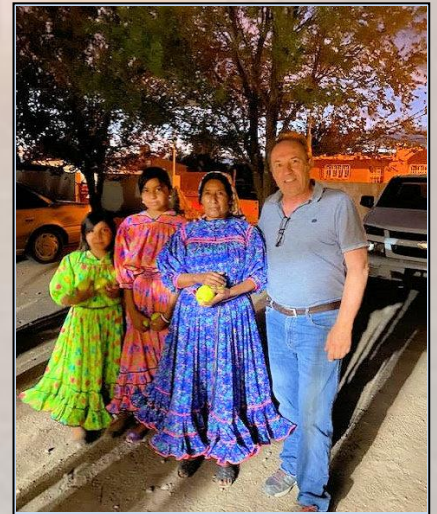

For His glory and for the salvation of the souls,

Renato

Inios, a people in God's heart.

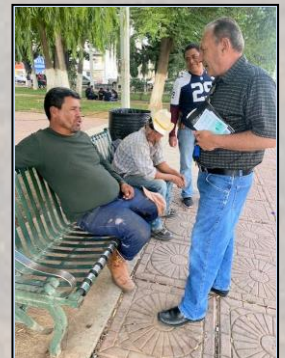

The pastor of this church was a missionary with us years ago.

Here he is, Poncho.

Tent, still used by God.

Not only from a pulpit.
