

In Italy , the Traiano Arch

Greetings in the Name of Jesus!

This 2022 is coming to an end and we will keep celebrating God's faithfulness, and the life that He continue to give to us.

Many are asking me when I will retire. I answer I believe God's call is for life. No sir, I have no plan to retire at all. Continue ahead, until the last breath.

While in Italy 59 days, I preached 52 times, plus visitations, evangelization etc. By His grace and by your prayers and support, we are continuing in many directions with our ministry, entering all the doors He

opens before us.

My time in Italy was wonderfully blessed, even if it was sad to see family members and precious brothers and sisters in the Lord getting old, some of them very sick, others already left to be with the Lord.

The love of the Christians has not changed a bit, so wonderful, doors are open all over, there is much to do on this side of the world.

Returning in time to celebrate Thanksgiving with my children, I now, after a quick ministry visit to Phoenix, AZ, and Odessa, TX, am ready to go to Mexico, to

prepare the end of the year activities to Cuauhtémoc and to the borderland.

We already have 240 blankets, and a decent number of backpacks, a lot of clothing and other goodies to donate to the needy. We also have a big turkey left over, for the Christmas dinner at the base. Thank you for your generosity. May God increase all His goodness and provision to your home. We are ordinary

believers, but we are doing the most important job on earth.

May each of you have the best Christmas ever, and a blessed, prosperous and safe 2023.

For His Glory, and
for the salvation of the souls,

Renato

One of the last tent meetings of this 2022

Family, one of God's greatest gift

Grandchildren, what a blessing.
