Brothers and Sisters in Christ:

I pray the good Lord, you are all blessed, in good health, and active.

Activities are a great thing that we all need. It helps a lot in every are of our lives.

Speaking about activities, I have been busy, thank God, in different places, traveling a lot. And it is not over yet. Soon we will start our tent crusades, Lord willing.

Are these times the last opportunities we have to proclaim the Good News? Possibly! Through 1 John 2:15-17 and Revelation 18: 1-5 God has been speaking to me.

And normally what God gives to me, I pass to others in teaching or preaching and in one to one evangelism.

We are not called to fix this world. We are, however, called to rescue out of this world as many as possible before the end comes.

We serve a wonderful, great God who cares about His people, so stop worrying, please, take a deep breath and live your life every day, serving, loving, helping, worshipping, cleaning, cooking, working, etc. Everybody in his place. Everybody doing what God has called you to do.

Do not forget to smile, to enjoy family and church. Remember Proverbs 17: 22 and make the right choice.

We love you all. Please pray for us and for what we have ahead. Thank you.

We pray for you.

Dedicating babies to the Lord.

In Ojinaga, invited to minister to a pastor's and leaders conference.
