Another precious soul for the King.

Friends in Christ:

God is faithful. We can all say that without any doubt: HE IS.

Ending 2016, we gratefully see the Lord for continue to give us the privilege of serving Him, His people, and the lost. And we offer this gift to the Lord with all our hearts: The only way He accepts it.

Your prayers and encouragement has allowed us to preach the Gospel, donate food and clothing and school supplies, visit those in prison and those that are sick. Many of you have helped us bring the good news to homes, plazas, and present God's grace to men in many ways.

We started 2016 in Odessa, TX, then Italy (70 days, 73 preaching), then the 7 tent campaigns in Mexico, in 6 months, then Kansas and Missouri, then South Mexico, then Juarez, then Colorado, then Phoenix, AZ, and it looks like that the year will end in Odessa, TX again. In fact, the week this is mailed I will be there for a 8 days mission trip, plus it may be still possible, a mission trip to Albuquerque at Rio Rancho, NM. Meanwhile, we have been ministering in the El Paso, TX area, where we visit 12 churches, periodically as well as the local prison. Every year in December, we will be giving blankets, groceries, and school supplies to hundreds of people in the poor colonias of Juarez, Mexico, Lord Willing.

And in 2017, our labor for the Lord will continue because He is worthy. Many of the same USA destinations, tent campaigns in Mexico, and ministries as 2016 but also we plan a mission trip to Cuba and a season in the United Arabs Emirates (where thousands of "slaves" from poor countries, works day and night, what a mission field!). We hope to possibly take a quick trip to Israel (do not tell it to Emirates, shhhh!!!), And, hopefully to Italy as well, another mission field with the thousands of refugees from the Middle East. Only the Lord knows what else will be in store for us next year.

Thank you so much for making it possible. We value every prayer and gift. We spend every penny carefully, knowing souls are at stake.

Our prayer is for God's provision for the battle in 2017. God has blessed us with your prayers, support, and encouragement.
