Brothers & Sisters in Christ:

Pray all is well in all you have.
Thank God, we are good.

We must learn to walk on the waters as Peter did, he walked on real waters, we must walk on the turbulent waters of this world.

How? Looking at Jesus and never looking in a different direction, otherwise we will sink.

As an old, beautiful song says:
*On Christ the solid Rock I stand.
All other ground is sinking sand.*
Amen and amen.

We are getting ready for the new tent crusades. Some vehicles need repair and maintenance, tents must be washed, other details are

coming together.

Most of all, we must equip ourselves mentally, physically and spiritually, to make sure to serve the Lord and people under His anointing, to give multitudes and individuals solid, good, healthy spiritual food, and help to the needy.

And we are working on all these issues.

We have no words to thank all of you enough for all you did so far for our missionary effort, please, just keep stand with us, together we will continue to save souls and to alleviate the suffering of many.

Since the beginning of 2025 we have been busy in outreaches, missionary trips, donating blankets food etc, it has been very cold up here.

I never stopped preaching the Gospel, and this I want to do, until the last day of my life. Thanks for helping.

Love you all.
