Brothers & Sisters in Christ:

May the joy of our Heavenly Father and the peace of the Holy Spirit be with you all always, it is very needed in these particular times, in the Name of our Lord Jesus.

As I write, I pray for all of you, Our team also consistently pray for you as a part of our daily devotionals. (Proverbs 11:25).

We pray that you will pray for us as we are on the field. We pray that you or others will supply our needs. We pray that the Lord matures each of us as we find shelter under his wings.

As we place our lives on God's altar, He can use us according to His perfect will.

Thank you to be with us in the mission fields called Mexico and the USA, and occasionally in other countries in Latin America and Europe, when I have the chance to go.

Right now, we are about to end one more tent crusade. It is so important to know that the night is really

coming. Will the current situation in Israel leads to Armageddon? We don't know but we trust God, our Fortress!

Whether nations fall or not, we continue with our hands on the plow. One of the most urgent situations here in Mexico is the severe lack of rain. It is tragic! Please help us to pray!

But on the other hand, how God can send rain in a land where innocent blood is shed every day?

I know that all the world's attention is in the Middle east and in Eastern Europe but, believe me, in Mexico there are more deaths, violence, and corruption. It is out of control.

God help us.

We are so grateful to all of you who cares for God's work. Soon all will be over, only what is done for God in this earth will last for eternity.

May God bless you all! May he prosper the work of your hands. May He keep all of you and all your loved ones, all your churches, and everything you have. Amen.

I hope the photos will give you an idea of our work here.

Love you all. Please stay by our side. We are a team.

Because of Jesus,

Renato
