Greetings in Jesus Name!

May the Spirit of the Living God continue to give you , your family and your church, life and hope in the middle of this mess called "a world falling apart".

We are praying for your precious lives.

Yes , we must not get too comfortable in this world and we must remind ourselves that this is not our final destinatio

Thank God we have enough peace and confidence to face any situation and, to pass it on to others, too. God is so good and so faithful. We know it very well.

We never neglect churches

Special guest night.

I have been thinking that there are more people starving than those who eat daily in this world. There are more people suffering, and more people in sadness and despair.....very few can really enjoy life.

But this will not last indefinitely. Be reminded of what scripture says in Matthew 5: 1-10 or Matthew 1:12.

Our tent crusades are going very well. Wherever we go we try to cover the whole area with the Gospel. Every day we witness a remarkable moving of God in many lives. We can see and sense a transformation coming as God's Holy Spirit touches the lives of the people.

The darkness leaves and the light of Jesus shines. We can see it on the faces of the people around us when they are exposed to the Gospel they trade despair for hope. They trade bondage for freedom and they trade darkness for the glorious light of our Lord and savior. We continue to bless needy ministries and people at the border and in every place we go. Jesus gave us this command in Matthew 25: 35,36.

Your kindness is not only noticed-it is felt. All ages are experiencing the fruit of your faithfulness.

Please take time to rest, to enjoy your family and the church, be refreshed, take a dive in the river of Living Water springing from the throne of God.

Because of Jesus,

Renato
